SEWERAGE SYSTEM TO THE LOUISVILLE)	CASE NO. 89-163
AND JEFFERSON COUNTY METROPOLITAN)	
SEWER DISTRICT)	

O R D E R

On June 15, 1989, Lake of the Woods Sewerage System ("Lake of the Woods") and the Louisville and Jefferson County Metropolitan Sewer District ("MSD") filed a joint application requesting approval of the transfer of Lake of the Woods to MSD.

The Commission, having considered the evidence of record and being advised, is of the opinion and finds that:

1. MSD is ready, willing, and able to acquire the land and physical assets of Lake of the Woods and provide adequate and reliable service to the customers served therein.

2. The owners of Lake of the Woods are ready and willing to sell inasmuch as they wish to divest themselves of the ownership and operations of the sewage treatment system.

3. The quality of service to the customers of Lake of the Woods will not suffer in that MSD has knowledge and experience in the operation and maintenance of sewage treatment facilities.

IT IS THEREFORE ORDERED that:

1. The transfer of ownership of Lake of the Woods to MSD be and it hereby is approved.

2. Lake of the Woods shall file a signed copy of the Purchase Agreement with the Commission within 10 days of the agreement's execution.
